

AGENDA 14, Enc ix) Civic Regalia – Additional links and engraving updates

Please see below three quotations for the repair and addition of an extra set of links to the Civic Regalia.

Quote A - £3,039.80

Quote B - £3,436.67

Quote C - £2,300.00

All quotations include the following engraving:

C Chambers 2018

L Henderson 2019

L Henderson 2020

P Thompson 2021

B Walkinshaw 2022

V Bridges 2023

The chain at present only has two spaces left for engraving, which is why an extra row of links is needed.

The chain of office is an asset of Ashington Town Council and therefore we suggest any works carried out be paid from the Earmarked Reserves Budget.
